

# Mysteriet med den blå honungen...

John Smaaland, Esri Sverige

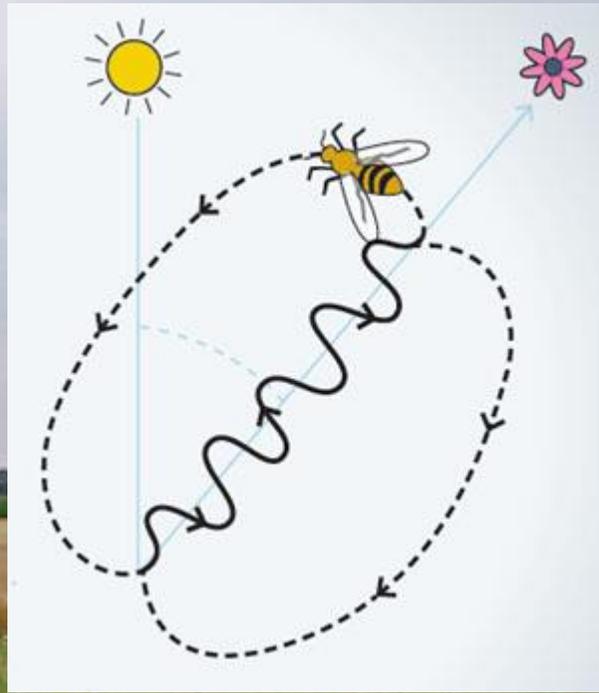

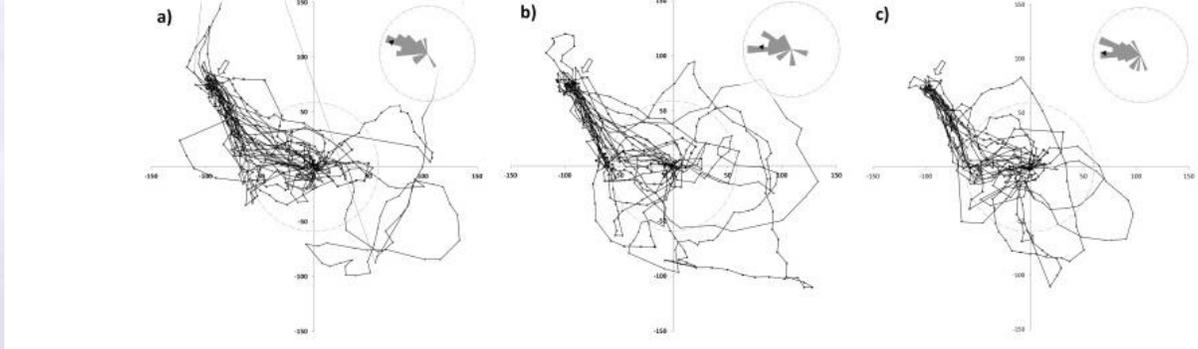

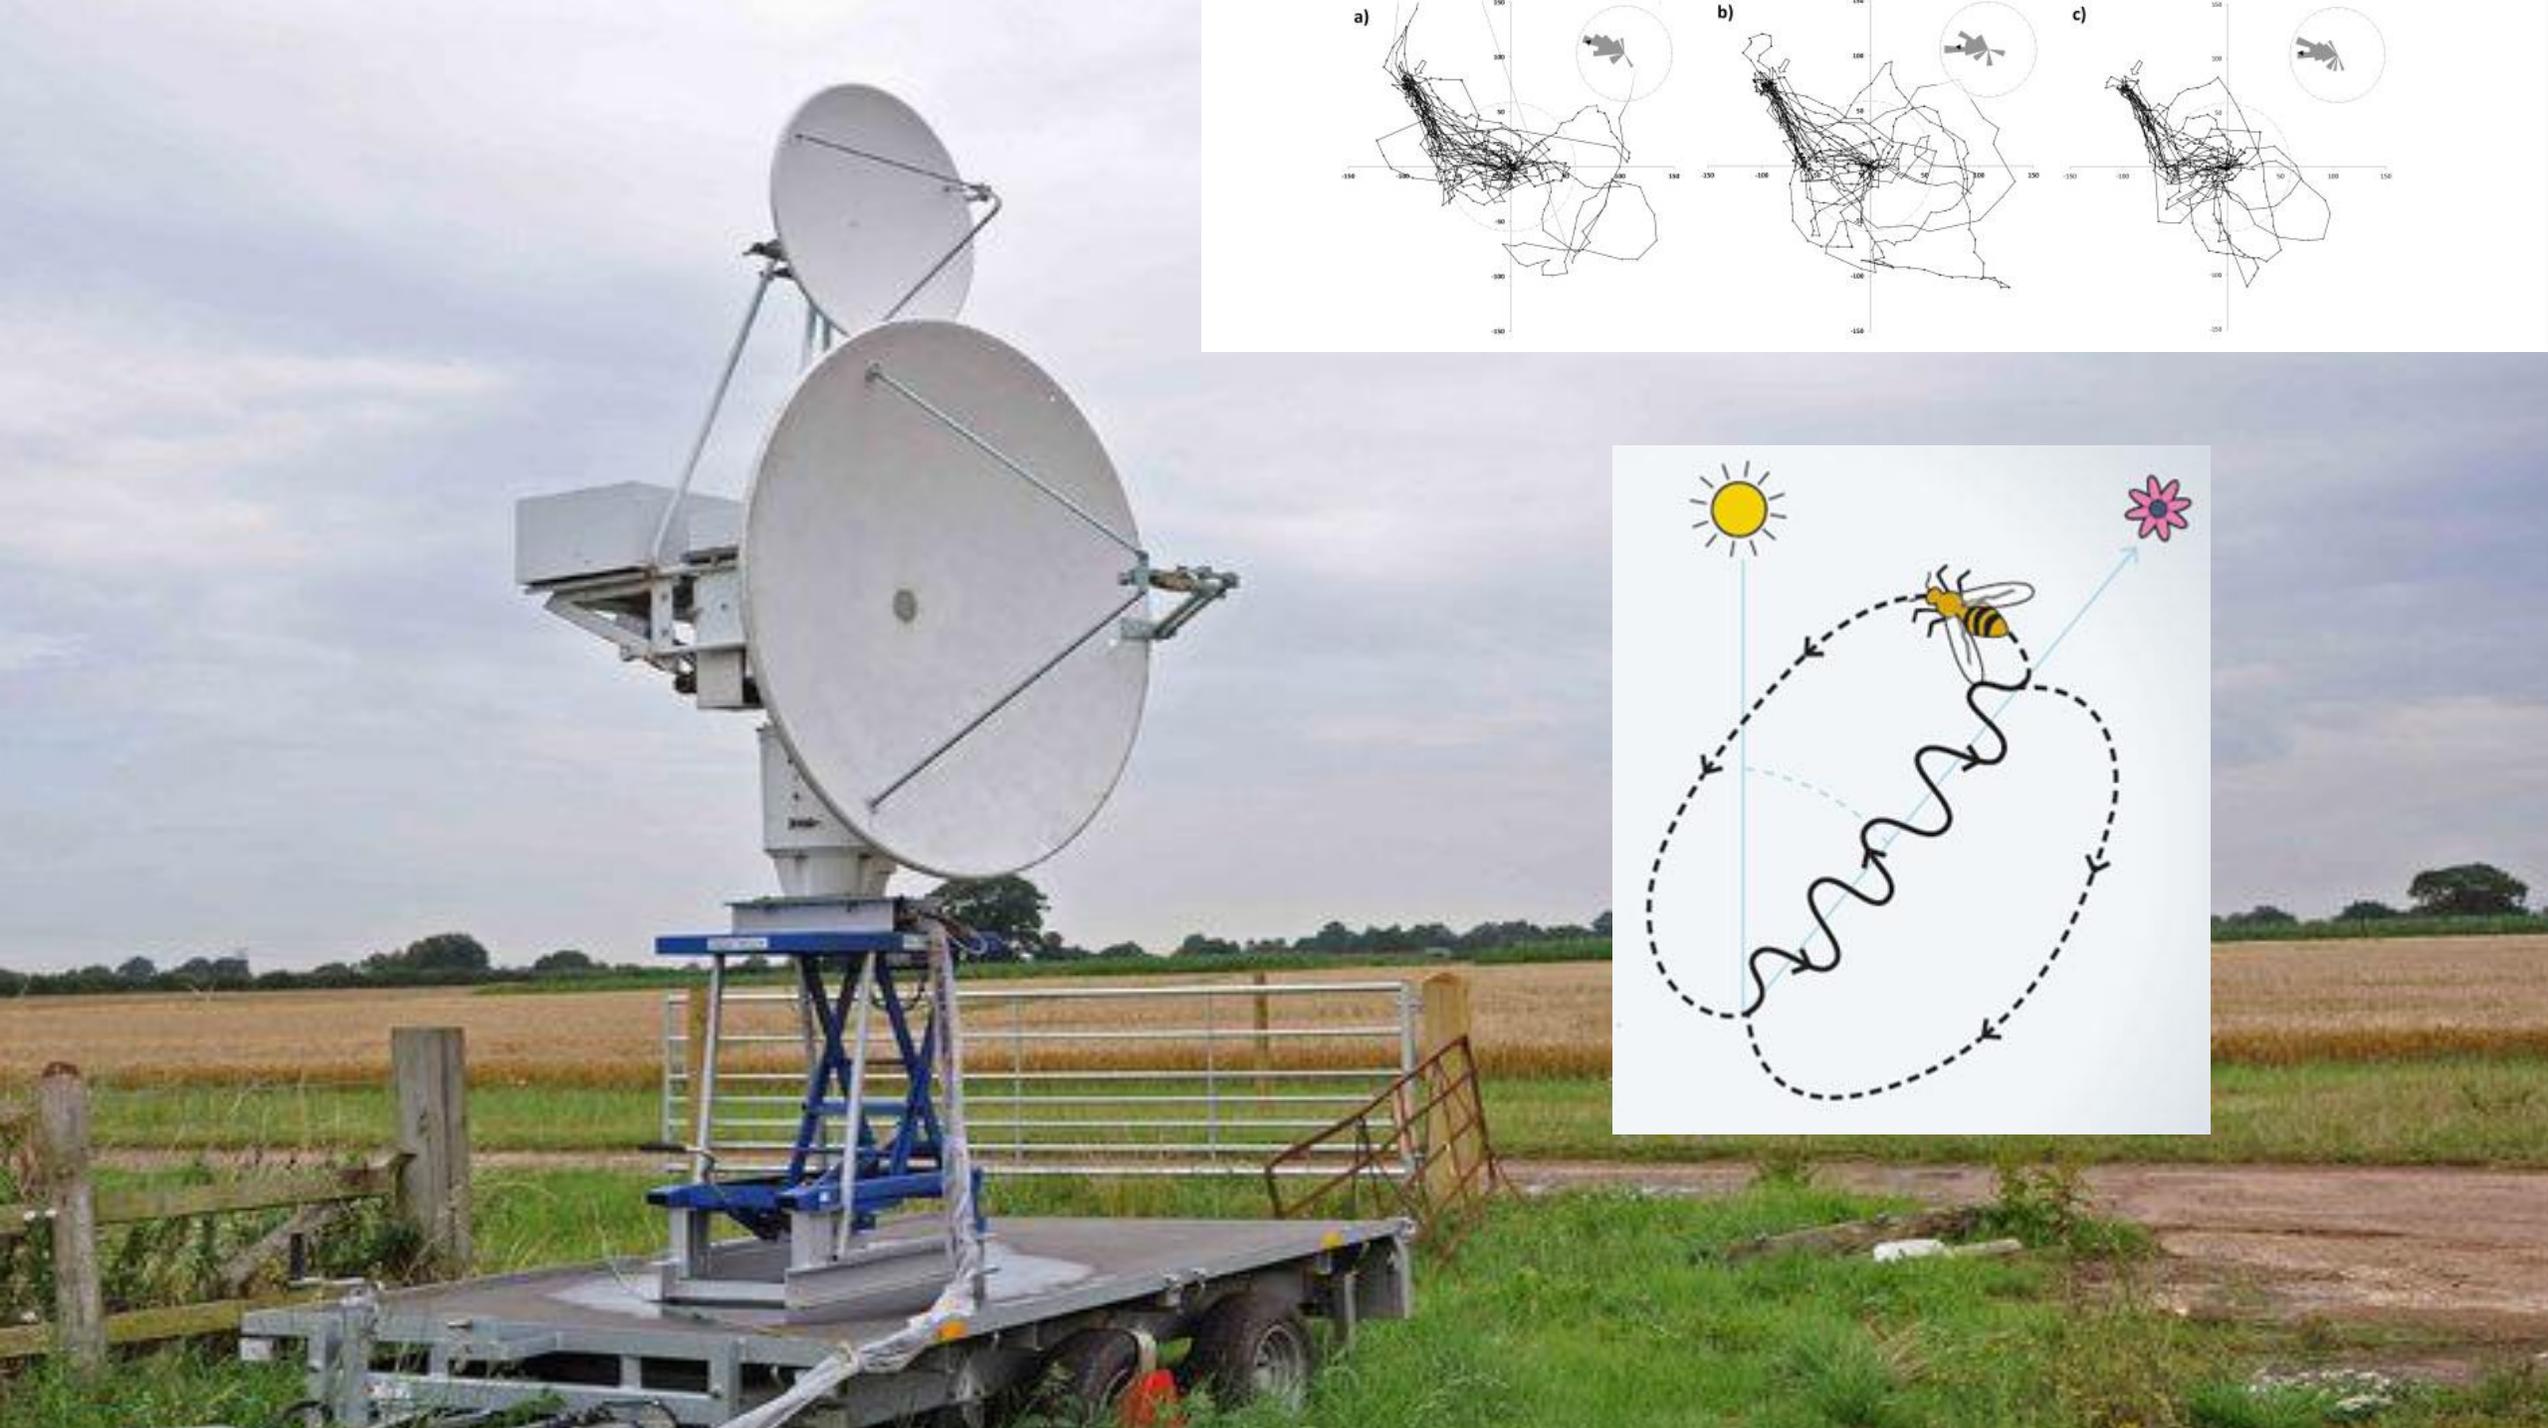

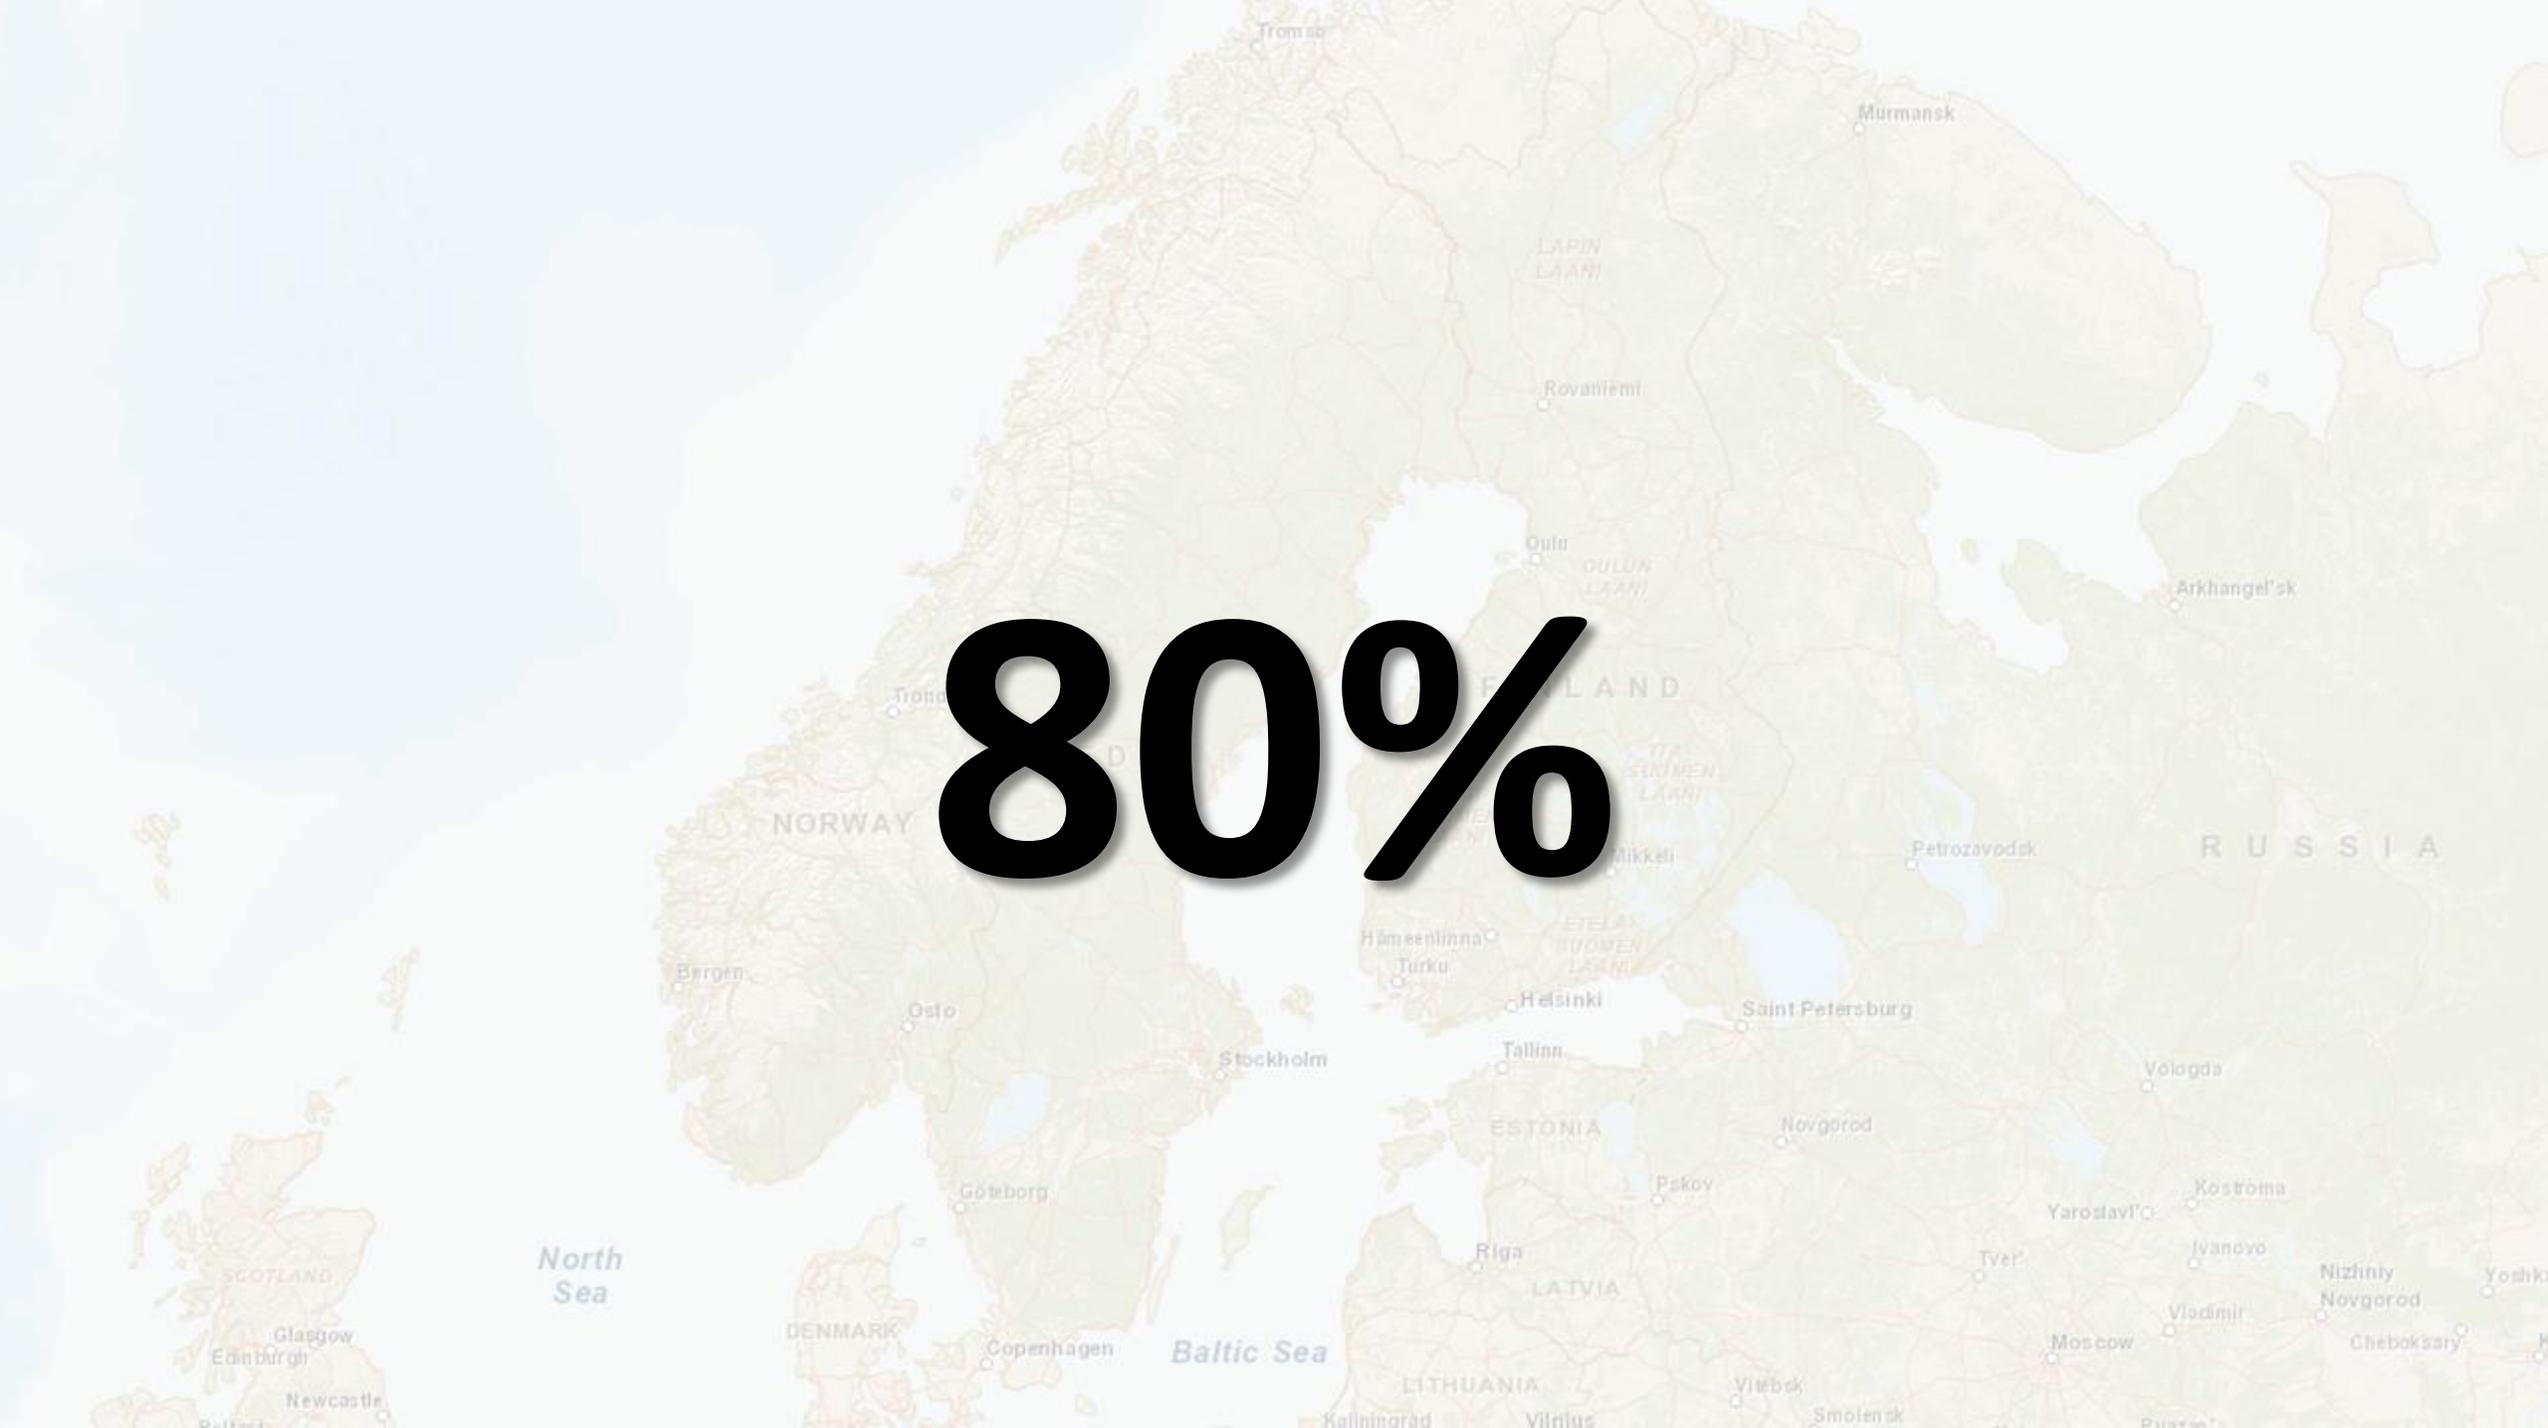

A topographic map of Northern Europe and the Baltic region, showing countries like Norway, Sweden, Finland, Denmark, Estonia, Latvia, Lithuania, and parts of Russia. Major cities such as Oslo, Stockholm, Helsinki, and Saint Petersburg are labeled. The text '80%' is superimposed in the center in a large, bold, black font with a slight drop shadow. The map uses a light beige and tan color palette for landmasses, with blue for water bodies like the North Sea and Baltic Sea.
